& RECREATION

February 28th, 2025

Grainger County Commission:

The Grainger County Parks and Recreation Department would like to provide you with a department report covering through February 28, 2025.

Youth Basketball Program

By the time of this meeting The Youth Basketball Program season should be finished. Hoping to be finished by Saturday March 1st didn't happen. The latest bad weather and school closings and the problems with the heat in the Washburn gym put another week of makeup games on. We got the season ending tournament started on Monday March 3rd and should have finished by Saturday March 8th. We had a successful season as most teams got to play 10 or 11 games. We had a total of 345 kids signed up with a total of 42 teams from ages 4 years old to 17 years old.

Feel free to contact my office with any questions or concerns at any time at 865-828-9900 or by email at randy.evans@graingercountyttn.gov.

Sincerely,

Randy Evans
Director
Grainger County Parks & Recreation

Meeting in regular session on this date, the Grainger County Opioid Council approved allocating the remaining allotment of 2023 Abatement funds towards the purchase of a naloxone dispensary machine.

The council approved \$15,000 for this purchase utilizing the remaining 2023 Abatement funds of \$7,992.42 and an additional amount from the 2024 Abatement funds of \$7,007.58 to total \$15,000.

There will be an ongoing cost to keep the dispensing machine resupplied with medication, so the approval of this amount will cover the cost of the machine as well as resupplying until the funds for this approval are depleted.
